Как пользоваться каталогом. Возле каждой коробки стоит буква. Если коробок больше, чем букв, это означает, что одна и та же коробка дана в двух ракурсах. Внизу, рядом с буквой, GdndyZ номер артикула, название коробки, объем (не всегда), размеры и минимальное количество коробок в одной упаковке. При запросах цен указывайте, пожалуйста: название каталога, мотив, номер страницы и количество, кратное минимальному, но не менее 100 штук. Мы можем персонализировать в Германии нейтральные коробки.
